

2017-18 CA H-SS FRAMEWORK IMPLEMENTATION STUDY GROUP FOR TEACHERS

Are you intrigued by the new Framework and interested in exploring how it encourages a shift in your instructional planning and teaching? The UCB History-Social Science Project in partnership with the SCCOE is offering professional development to support teachers in the implementation of the new California History-Social Science Frameworks. This year-long study group will work in a collaborative setting with support from staff from the UC Berkeley, California History-Social Science Project (a chapter of the CHSSP that was the principal author of the Framework).
